Board Member Spotlight—Meet Katie Moersfelder, Communications

Katie Moersfelder serves on the Board of Directors as the Communications and Marketing Director. She has lived in Greendale for almost 15 years. She is married to Tim and has two children, Madelyn (4th, Canterbury Elementary) and Jack (4K, Highland View Elementary). Some of her favorite times at the Greendale library are going to Ms. Lisa’s story time with both her kids, her daughter filling up her summer reading program caterpillar with stickers, her son playing with the monkey dollhouse for hours, reading board books to her kids in the window seat, and working remotely in the back study room! Katie’s favorite authors include Wally Lamb, Jeanette Walls, and Alice Sebold. Katie has been actively involved with the Friends of the Greendale Public Library since 2018.
