

RAZING/DEMOLITION PROCEDURES

1. Building Permit required (*Note: An Erosion Control Plan must be submitted with permit application*)
2. "Notice of Demolition" to be filed with DNR (10-day waiting period must expire before permit is issued).
3. Contact WE Energies to advise them of demolition location on the demolition line# 262-574-6452.
4. Prior to issuing Building Permit, sewer and water to be terminated at property line by licensed plumber with permit. Terminations shall be inspected prior to concealment.
