HEALTH OFFICER ORDER

Order limiting the Sale of Food and Beverages, Liquor, Beer, and Wine to Carry-Out and Delivery Only,

I, Susan Shepeard, MSN, RN, Health Officer for the Village of Greendale, Pursuant to authority granted to me in WI State Statute 252, the Health Officer "may do what is reasonable and necessary for the prevention and suppression of disease; may forbid public gatherings when deemed necessary to control outbreaks or epidemics" Order the following to prevent the spread of Coronavirus (COVID-19) within the Village of Greendale:

1. Liquor, beer and wine sales in the Village of Greendale are restricted to carry-out sales and delivery only, to the extent permitted by law. No onsite consumption is permitted.
2. Food and beverage sales are restricted to carry-out and delivery only. No person shall engage in or allow any onsite consumption. This order does not apply to and/or exempts food service in health care facilities and catering at weddings and funerals.
3. Lines for carry-out in each establishment effected by this Order must have an environment where patrons and staff maintain social distancing (six feet away from other people) whenever possible.
4. Everyone is urged to continue to wash hands, utilize hand sanitizer and practice proper respiratory etiquette (coughing into elbow, etc.)
5. The immediate implementation of this Order is necessary as patrons of bars and restaurants continue to gather in large numbers, in close proximity to each other, in enclosed spaces, thereby endangering the health of the staff and patrons.
6. The overriding goal of this Order is to minimize the in-person interaction which is the primary means of transmission.

This Order shall take effect at 2:01 a.m. on March 17, 2020. This Order will be continuously evaluated and may be modified or extended by the Health Officer at any time.
