May 2020

CONSTRUCTION NOTICE

Please be advised that contractors working for the Village of Greendale will be performing underground utility work and street rehabilitation work in the following areas of the Village beginning in June 2020:

- In Eastway (SE Quadrant - W. Ramsey Avenue to S. 51st Street)
- In Doyle Street
- In Freeland Court
- In Frances Court
- In Raven Drive (drainage project)

A map of the proposed work areas is located on the back side of this notice.

Access to properties along these routes will be maintained with some temporary delays and disruptions that are typical during Public Works construction projects.

Residents are encouraged to use caution in construction zones and we ask for your cooperation and patience during these Village public works projects.

On-street parking and access to driveways will be limited at times to facilitate the project work. Project field representatives will be available daily during the project work to answer questions and coordinate work zone restrictions.

Underground utility work will be completed and then the roadways will be rehabilitated. The 2020 project work is anticipated to be done in the months of June, July, and August 2020.

If you have any questions, please feel free to contact the Village DPW office at (414) 423-2133.
