RE:	**Village Accepting Applicants for Trustee Vacancy**		**RELEASE DATE:**	Immediate

The Village Board of Trustees is moving forward to fill the Trustee vacancy created when Trustee Busalacchi moved out of the Village.

The Village Board of Trustees will now begin the process of considering applicants to fill the Trustee vacancy. The successful applicant will hold office until April of 2019, when the term of office for the vacant positions ends.

Persons eligible to be registered voters who are interested in serving on the Board of Trustees should submit resumes that include what the candidate has done that has prepared the candidate to be a Trustee, what the candidate has done for the Village, what groups they have been a part of, if they have attended meetings, and any committees they have been on in the Village.

The resume must be received by the Village Clerk-Treasurer by 4:30 PM on Friday, October 12th. Applicants should clearly address their resume as "TRUSTEE APPLICATION" and send or deliver the resume to the Clerk-Treasurer, 6500 Northway, Greendale WI 53129. All resumes will be forwarded to the Board of Trustees for their review. In addition to considering the resumes, individual Trustees may also nominate possible candidates independently for the Board's consideration as provided by State Statutes.

On October 16th the Village Board will meet to review and consider the applicants. They will also determine the next step in the appointment process. Applicants will be notified as to the next steps in the review process after the October 16th Village Board meeting.

The Board will then consider the applicants with the intent of making a selection. The Board members will conduct the vacant Trustee selection process and vote in Open Session at a future Village Board meeting as required by State Statutes. The successful candidate must receive four (4) votes from the Board to receive the appointment.

The selected Trustee will serve until their successor takes office in April 2019. The Trustee seat is paid $6,262/year.
