Stephanie Mares, President
Greendale Public Library Board of Trustees

Former Trustee Taylor left at this time.

The Director discussed his philosophy on the development of the CLC. The Director would like all involved in the CLC to see uniformity. Examples would include a single telephone number with a directory of the components within the CLC, stationary of the CLC, etc. The Director will be making an effort in the next months to promote the changes in the building and how that impacts on the parking issue. The Director is looking for the CLC to be doing unique things such as his proposal called The Digital Divide Campaign.

A discussion was held on a request from the CLCAC to have opportunities for device users to plug in to the space in the computer area of the Library. The Director has a quote from DMC Electric for $3600 plus the cost of X-raying the floor to bring electrical up through the basement. Trustee Turay suggested getting a quote from DMC to bring the electrical down from the ceiling.

Trustee Lubing moved to allow the Director to spend up to $4,000 to bring electrical connectivity to the computer area. The motion died for a lack of a second.

The Director was told to bring the additional quote to the November meeting and a decision would be made then.

The Director reviewed the information contained in the Planned Use for Unrestricted Funds report.

The Director reported that the budget was presented to the Village Manager. The most likely date for the Library budget review is Tuesday, October 22nd.
